

## Diploma in 3D Interior CAD Designing

This course is designed for architects, interior designers, industrial designers and students seeking to acquire 3D computer visualization skills. The course focuses on texturing, architectural & interior cad drawing, architectural modeling, interior modeling and 3d walk-through with advanced camera animation techniques but it is suitable for all other design disciplines also.

**Normal Track : 6 Months**

**Fast Track : 3 Months**

- Introduction
- Adobe Photoshop
- AutoCAD (2D + 3D)
- 3Ds Max + V-Ray + Corona
- Adobe Premiere
- Portfolio + Project Work.

## Diploma in 3D Interior/Architectural CAD Design

This course is designed for architects, interior designers, industrial designers and students seeking to acquire 3D computer visualization skills with Revit Architecture. The course focuses on texturing, architectural & interior cad drawing, architectural modeling, interior modeling, 3d walk-through with advanced camera animation techniques and building information modelling (BIM) but it is suitable for all other design disciplines also.

**Normal Track : 9 Months**

**Fast Track : 4.5 Months**

- Introduction
- Adobe Photoshop
- AutoCAD (2D + 3D)
- 3Ds Max + V-Ray + Corona
- Revit Architecture + V-Ray
- Google Sketchup + V-Ray
- Adobe Premiere
- Portfolio + Project Work.

## Professional Diploma in 3D Interior/Architectural CAD Design

This course is designed for architects, interior designers, industrial designers and students seeking to acquire 3D computer visualization skills with Revit Architecture and Google Sketchup. The course focuses on texturing, architectural & interior cad drawing, architectural modeling, interior modeling, 3d walk-through with advanced camera animation techniques and building information modelling (BIM) but it is suitable for all other design disciplines also.

**Normal Track : 10 Months**

**Fast Track : 5 Months**

- Introduction
- Adobe Photoshop
- AutoCAD (2D + 3D)
- 3Ds Max + V-Ray + Corona
- Revit Architecture + V-Ray
- Google Sketchup + V-Ray
- Rhinoceros 3D + V-Ray
- Adobe Premiere
- Portfolio + Project Work.
